⁽⁶⁾ <http://www.europa.eu/epso>.

D. HOW TO APPLY

Please refer also to the Guide for Applicants ⁽¹⁾, which can be found on the EPSO website ⁽⁶⁾. It contains detailed instructions to help you submit your application correctly.

1. Creating an EPSO profile/online registration

Before registering, you should carefully check whether you meet all the eligibility criteria (see Section A, particularly concerning the types of qualification required).

If you want to apply, you must do so via the Internet by going to the EPSO website ⁽⁶⁾ and follow the instructions there concerning the various stages of the procedure.

It is your responsibility to complete your online registration in time ⁽³⁾. We strongly advise you not to wait until the last few days before applying, since heavy Internet traffic or a problem with the Internet connection could lead to the online registration being terminated before you complete it, thereby obliging you to repeat the whole process. Once the deadline for the submission of registrations has passed, you will not be able to register.

On completion of your online registration, you will receive on screen a registration number which you must note — this will be your reference number in all matters concerning your registration. Once you receive this number, the registration process is finished — it is the confirmation that we have registered the data you entered.

If you do not receive a number, your application has not been registered!

Please note that you must have an e-mail address. This will be used to identify you. The information you must enter in your registration includes the languages you choose (see A.II.3), and the particulars of your qualifications (title, name of issuing establishment and date obtained).

No documents are required at this stage. Candidates will subsequently be invited to send a full application (see section D.4).

Once registered, you can use the website ⁽⁶⁾ (click on 'Ongoing competitions') to follow the progress of the competition.

If you have a disability that prevents you from registering online, you may request — preferably by fax — a paper version of the form ⁽⁷⁾, which you should fill in, sign and return by registered mail, postmarked no later than the closing date for registration. All subsequent communication between EPSO and you will be by post.

You must enclose with your application form a certificate attesting your disability, issued by a recognised body. You should also set out on a separate sheet of paper any special arrangements you think are needed to make it easier for you to take part in the tests.

⁽⁷⁾ Write to EPSO — Info-recruitment — CORT 80 4/17 — B-1049 Brussels — Fax : + 32 2/295 74 88

The closing date for registration is 20 July 2006. Online registration will not be possible after 12.00 Brussels time on that day.

NB:

Within one month following the final date for registration, EPSO will invite you to:

- confirm your application*
- confirm your choice of languages*
- and, where applicable, to choose the city in which you wish to sit the admission test and (if applicable) the written tests.*

*The invitation and your confirmation will take place via your EPSO profile **only**.*

If you do not confirm your application within two months following the final date for registration, EPSO will consider that you have withdrawn your application and it will be terminated.

2. Admission tests/written tests

The candidates invited to the admission tests (and where applicable the written tests) will be those who are found to meet the general terms and conditions (see section A.II.4) after EPSO has carried out a preliminary eligibility check based on the information given in the registration forms, and who have confirmed their application in time. An invitation to take part in the tests does not mean that an applicant's eligibility has already been checked in detail.

3. Invitations

Information concerning invitations to the admission tests as well as subsequent tests will be available **only** on the EPSO website ⁽⁶⁾. You can access it by entering the user name and password you specify when registering online. You are responsible for updating any change, via your EPSO profile, in your postal or e-mail address.

You are responsible for keeping track of the progress of the competition and for checking the information relevant to your application at every stage by consulting your EPSO file. If you find that you cannot do this, notify EPSO immediately by e-mail ⁽⁸⁾.

As far as possible you will be asked to sit the admission tests (and where applicable the written tests) in the city you choose when you confirm your application. **For organisational reasons you will not be able to switch to another venue unless you can prove that you have changed residence and have informed EPSO of this no later than three weeks before the planned date of the admission tests (and, where necessary, the written tests).**

4. Full application

The candidates who fulfil the conditions as referred to in section B will be asked to print and complete the full application form which they will find in their EPSO profile on the website ⁽⁶⁾. It must be sent in by the closing date ⁽⁹⁾.

⁽⁸⁾ E-mail: epso-AD--06@ec.europa.eu (indicate the number of the competition chosen).

⁽⁹⁾ The closing date will be indicated in good time in your EPSO profile.

Documents to enclose

You must give details in your application form of your qualifications and citizenship. You must enclose with it the following documents:

- a photocopy of a document proving your citizenship (e.g. your passport etc.),
- a photocopy of the certificate(s) for your qualification(s),
- on a separate sheet of paper, a numbered list of these supporting documents (all these documents must be accompanied by a translation of them in English, French or German. You may translate these documents yourself).

You should send only uncertified photocopies of these documents.

The application form must be completed in full, i.e. you may not refer to any previous application forms submitted or any other documents enclosed with such applications. None of the documents submitted with your application will be returned.

Signing and sending the form

It is your responsibility to make sure that your application form, duly completed, signed and accompanied by all the supporting documents, is sent in time ⁽⁹⁾ by registered post (the postmark will serve as proof of the date of sending) to the following address:

<p>(i) Computerised admission tests organised in specialised centres (CBT)</p> <p>The selection board will invite to the written tests the candidates who meet all the conditions for admission set out in section A.II.</p>	<p>(ii) Admission tests on paper organised simultaneously for all candidates</p> <p>The selection board will mark the written tests of the candidates who meet all the conditions for admission set out in section A.II.</p>

- do not meet all the eligibility criteria,
- have not sent all the supporting documents before the closing date ⁽⁹⁾.

A CURRICULUM VITAE IS NOT A SUPPORTING DOCUMENT.

5. **Reserve lists**

The names of the successful candidates (see section C.4) will be included in the reserve list.

6. **If, at any stage in the procedure, it is established that the information in your online registration form or official application form is incorrect you will be disqualified from the competition.**

E. GENERAL INFORMATION

1. Equal opportunities

The European Union institutions apply a policy of equal opportunities and accept applications without distinction on the grounds of sex, race, colour, ethnic or social origin, genetic characteristics, language, religious, political or other convictions or opinions, belonging to a national minority, financial situation, birth, disability, age or sexual orientation.

2. Selection board

A selection board is appointed for each competition. It is made up of members representing both the administration and the staff committee of the institutions. The names of its members will be published on the EPSO website ⁽⁶⁾ approximately two weeks before the admission tests.

You are strictly forbidden to make any contact with the members of the selection board, either directly or indirectly. It is for the selection board to decide whether any infringement of this rule should disqualify you from the competition.

EPSO is responsible for all communication with candidates until the competition is completed.

3. Approximate timetable

Depending on the total number of candidates, the competition will take approximately nine months from start to finish, beginning on the date on which your application is confirmed.

Full details are available on the EPSO website ⁽⁶⁾.

4. Requests from candidates for access to information concerning them

Under the selection procedures, candidates are acknowledged to have a specific right of access to certain information concerning them directly and individually, on the conditions described below. In accordance with this right, EPSO may provide candidates who so request with supplementary information concerning their participation in the competition. Candidates must send any requests for information in writing to EPSO within a month of being notified of their results in the competition. EPSO will reply within a month of receiving the request. Requests will be dealt with in such a manner as to take account of the confidential nature of the proceedings of selection boards, as provided for in the Staff Regulations (Annex III, Article 6) and will comply with the rules on the protection of individuals with regard to the processing of personal data. Examples of the type of information which may be supplied are given in the Guide for Applicants, section III.2.

5. Requests for review — Appeal procedures — Complaints to the European Ombudsman

See Annex.

6. Recruitment

If you are placed on the reserve list you will be eligible for appointment notably as a probationary official as and when required by the European institutions, in Brussels, Luxembourg or any other place of activity.

If you are offered a post, you will be asked to produce the originals of all the requisite documents, in particular your qualifications, so that copies can be authenticated.

Recruitment will depend on posts and funds becoming available.

Depending on the nature of a post, successful candidates on the reserve list may initially be offered a temporary contract; in this case, their names will remain on the reserve list.

Article 29(1)(b) of the Staff Regulations refers to the possibility for officials to request a transfer to another institution or agency at any time in their careers. However, in the interests of the service, during their first three years of service newly recruited officials are transferred only in exceptional and duly justified cases. Any such transfer is subject to the agreement of both the institution or agency that originally recruited the official and the institution or agency in receipt of the transfer request.

7. **Retirement**

You should note that the compulsory retirement age for staff is laid down in the Staff Regulations as follows:

- either automatically at the age of 65 years,
- or, at the official's own request, at the age of 63 years or where the official is between 55 and 63 years of age and satisfies the requirements for immediate payment of a pension,
- exceptionally, at the official's own request and where it is considered to be in the interest of the service, at not later than the age of 67.

8. **Grade**

This reserve pool of administrators will be recruited at grade AD5.

9. **Remuneration**

Basic monthly salary as at **1 January 2006**:

grade **AD5**, first step: **EUR 3 921,80**

10. **Protection of personal data**

This applies in particular to the confidentiality and security of such data (*Official Journal of the European Union* L 8 of 12 January 2001).
